Bendigo Library membership is issued in person in the library. You will need to show personal identification with a current address.

Books in the children's area flow according to reading age and interest. Board books for babies are in the first corner near the windows and outside steps. Picture books are collected in low height book bins down the ramps. Books for beginning readers are colour coded by reading level along the dividing bench. Chapter books and books for confident readers are on the upper level shelves arranged by author.

We have sets of ten books that can be borrowed by Book Clubs. A full list can be found in our Book Clubs section of the [website](#) or through the library catalogue.

Our collections are shared between all Goldfields Libraries.

Ask staff for help in finding things you might want to borrow.

We have many [eResources](#) that can be accessed from home using your library card and PIN. Ask staff for help connecting to any of these eResources.
