TRAFFIC IMPACT[¶]

Will a Traffic Management Plan be in operation during the proposed works?

(refer s99A of the Road Safety Act 1986 and Code of Practice for Worksite Safety - Traffic Management)

IF YES, PLEASE ATTACH A COPY OF THE TRAFFIC GUIDANCE SCHEME (TGS)

Will major traffic control devices requiring a "Memorandum of Authorisation" be used?

e.g. speed limit signs, traffic signals (including portable traffic signals), etc.

(refer Road Safety (Traffic Management) Regulations 2009 and Code of Practice for Worksite Safety - Traffic Management)

IF YES, PLEASE ATTACH A COPY OF AN MOA SIGNED BY AN AUTHORISED PERSON

Will the works impact on public transport service, or access to a tram, train or bus stop?

IF YES, HAS THE RELEVANT PUBLIC TRANSPORT PROVIDER BEEN NOTIFIED?

CONSULTATION

Do the works affect adjoining properties?

Have all owners and/or occupiers been notified?

Date Consulted:

Consultation method:

Mitigation plan:

Do the works affect existing assets (incl. other utility infrastructure, street trees, remnant native vegetation)

Have all asset owners been notified?

Date Consulted:

Consultation method:

Affected asset:

Mitigation plan:

Affected asset:

Mitigation plan:

Affected asset:

Mitigation plan:

If more assets are affected please include consultation details on a separate page

* Mandatory field

Include (as an attachment) a scaled or dimensioned location map showing which road and which part(s) of the road reserve is (are) affected, proposed depth of cover, clearances and offsets to other road and non-road infrastructure

+ If works include construction of a vehicle crossing or streetscape development (beautification / landscaping works), it is recommended to utilise City of Greater Bendigo's Non-utility minor works application form

§ Consent will not be granted to any applicant whose contractor does not hold a current Public Liability Insurance policy

¶ Not required for Notification of Completed Works.
