

REPORT & CONSENT ASSESSMENT CRITERIA

Solar Access to Existing North-Facing Windows - Regulation 82

The Minister for Planning in his Minister's Guideline MG/12 has set out the Objectives and Decision Guidelines in respect to Regulation **82** that Council must have regard to when considering varying a design and siting standard.

To assist Council in determining if the Objective and Decision Guidelines have been met, please describe how your application meets the following appropriate assessment criteria or, if not applicable, detail why it is not applicable.

Failure to meet guideline conditions may result in Consent being refused.
