Born in 1966 in Melbourne, Chris Duffy's paintings are bold and colourful. He works with acrylics on canvas but also MDF board that is then 'cut out' using a jigsaw.

You will find several of his hand-painted street art, murals and paste ups in and around Bendigo's CBD under the name Ha Ho Art, as well as other regional Victorian towns and overseas.

He has exhibited extensively throughout his career in both solo and group shows, and has won many awards plus admirers both in Australia and internationally since embarking on his artistic journey.
