Heidi Franklin is a visual artist, art therapist, teacher and retreat facilitator living on Dja Dja Wurrung country in Bendigo, Victoria.

Franklin's artworks are inspired by the Celtic illuminations of her ancestry, the Tanzanian batiks of her childhood and the Art Nouveau movement of the late 1800s.

Her use of strong linework, high-contrast compositions and vivid limited palettes complement the bold and visionary nature of her subject matter, enhancing the storytelling aesthetic of her work.
